

Scottish Cycling 2024 Provisional Calendar

The dates shown below are provisional and can be subject to change. More dates will be added in due course, with BMX, Cycle Speedway, Scottish Track Championships, and the 2024-25 Cyclocross yet to be compiled. We are also working with the community to fill other gaps and add to the calendar where possible, with due regard to officials availability and key events to avoid clashes with. If you or your club would like to discuss adding an event, please email events@scottishcycling.org.uk.
