

Scottish National Senior Track Championship

8th-10th December 2023 Sir Chris Hoy Velodrome, Glasgow

Race Manual

Welcome

Thank you for entering the 2023 Scottish Track Championships and welcome to what we hope is a fun weekend of racing.

This event follows on from an incredible year of racing at the Emirates Arena, with the unforgettable World Championships in the Summer. More recently, our younger riders have had the opportunity to compete in the Interregional Championships and Scottish Youth & Junior Track Championships, both delivered by Kenny Steele and the Johnstone Jets. Track League goes from strength to strength, providing fun weekly competition and development opportunities.

None of these events could take place without the support of the fantastic officials, riders and volunteers that make up the wonderful Track community in Scotland. The discipline is on a positive trajectory, with growing number of participants and some standout events on the calendar – we are incredibly grateful to those individuals that are the driving force behind it. Please join us in thanking those volunteers over the weekend, without whom this event would not take place.

Good luck to all those taking part, and above all have fun!
