I am a public health profession and workforce wellbeing specialist. I bring a broad set of skills from my day job which include knowledge and understanding of equality and diversity, engagement techniques as well as chairing and contributing to meetings.

From a cycling perspective I am a rider, sometimes racer, coach, event organiser, ex club official, parent of an athlete and most importantly a serial volunteer. I ride gravel, CX, road and occasionally return to my first love of MTB.

I wish to volunteer again as I believe I can help more people to enjoy riding bikes, the thrill of events and ultimately help develop a nation of cyclists.

Please provide a policy statement for the nominee (i.e. what would the nominee hope to achieve in their time as a Director).

I have served as a director with Scottish Cycling for 6 years, I am seeking re-election to the board for another 3-year term. During my time on the board I have developed and grown my understanding of how a board operates and feel I can contribute constructively and positively. I am an elected member and seek to represent the views of the community I serve whilst supporting the senior leadership team to strive to improve the sport of cycling in Scotland for all riders.

I am the board Equality, Diversity and Inclusion lead and chair the Development and Participation Committee. The development and move to delivery of the Women and Girls strategy has been a highlight of my time of the board. That along with overseeing the Domestic Events Strategy and the gradual recovery from the COVID-19 pandemic and cost of living crisis and the newly sanctioned disciplines of gravel and enduro.

Most weekends I can be found at races; marshalling, in the pits, racing, riding and mostly chatting about all things bikes. I am an active member of West Lothian Cycling Club having previously served as Club President and coach. I am a founder member of Women's Hour at West Lothian Cycle Circuit where our aim is to continue to develop a community of female cyclists.

Sport is for all. All people no matter their age, ethnicity, sex or sexual orientation, disability; all types of bikes; and all abilities.
