Please list all relevant experiences/skills/education/training for the role as a director with Scottish Cycling (e.g. what would the nominee bring to the Board, reasons for wishing to volunteer etc.) **300 words maximum.**

Over the past term, I have been privileged to contribute to the advancement of Scottish Cycling's strategic goals, particularly in the areas of marketing and communication, inclusive participation and charitable impact

As a trustee and active contributor to the Scottish Cycling Foundation, I have led efforts to embed charitable fundraising into our social impact agenda. Initiatives such as the Braveheart Fund and the Scottish MTB Health Fund have demonstrated the transformative power of cycling—particularly through Trail Therapy programmes that support mental health, disability inclusion, and urban engagement. The SCF grant funding to the Mennock Stage race in 2025 aimed to help establish a Stage Race in Scotland to extend the pathway for competitive cycling.

I am a CA of 30+ years experience. As Head of Tax at Edrington I have experience of corporate finance, governance, strategy, luxury brand and consumer engagement. I am also Edrington's Global Lead of Giving More and my remit includes the responsible spend of ~£3m pa donations budget as well as engaging employees to volunteer and fundraise for charitable initiatives, including organising the annual Epic cycle in Scotland with around 50-80 employees embarking on a sponsored two day cycle. Last year we raised £155k.

I am an active cyclist both in competition and for leisure (road, gravel, bike packing, commuting) and hold the Scottish Everesting record as well as Scottish Championship medals in road (gold), team time trial (Gold) and

CX (silver and bronze) earned 2021-24. I also cycled in the UCI age group World Championships in Scotland in 2023 . I have been a member of a cycling club, Torvelo for 6 years.

My experience of the sport both inside and out and my corporate and charity background means that I am passionate about the role cycling can play in improving lives and building resilient communities.

Please provide a policy statement for the nominee (i.e. what would the nominee hope to achieve in their time as a Director).

Vision for the Future

If reappointed, I will continue to:

- Provide strategic insights and direction to the board in areas of finance, governance, focus and accountability
- Represent both the SCF and SC and develop and embed alignment in ways of working
- Champion the development of Women & Girls cycling with a focus on off road - with measurable outcomes, and creating synergies with like minded organisation in the gravel arena.
- Expand the reach of the SCF's programmes, ensuring access for underrepresented groups.
- Strengthen partnerships with businesses, charities, and funders to scale our impact.

With your support, I look forward to continuing this journey and helping Scottish Cycling lead the way in inclusive sport and social change.
